Prof. P.M.B Jayathilaka,
Vice Chancellor,
Rajarata University of Sri Lanka.

Dear Professor,

Invitation for University Students to Apply for the My Sri Lanka Summit 2026

Greetings from Global Unites.

Global Unites is an international youth movement committed to equipping young leaders to promote national unity, reconciliation and positive social transformation. Active across 21 countries and five continents, our movement has engaged more than one million young people over the past five years through leadership development, peacebuilding, mentoring and community-based initiatives.

In Sri Lanka, we are organizing the My Sri Lanka Summit 2026, bringing together 200 outstanding young leaders between the ages of 18 and 23 from universities and communities across the country.

The residential component of the Summit will take place from the evening of **1 November to 3 November 2026 at Sanctuary House**. It will conclude with the *Sri Lanka National Youth Futures Forum on 4 November 2026* at the Sri Lanka Foundation Institute in Colombo.

The Summit is designed in response to the growing need for young Sri Lankans to build meaningful relationships across ethnic, religious, regional and socioeconomic divides. It will provide a safe and constructive space for participants to examine the challenges facing our country, develop practical leadership capabilities and explore how they can contribute to a more united and inclusive Sri Lanka.

Participants will benefit from:

- Leadership and personal-development sessions facilitated by experienced national and international resource persons
- Opportunities to engage with distinguished leaders, practitioners and changemakers
- Meaningful interaction with young people from diverse communities across Sri Lanka
- Practical training in reconciliation, dialogue, teamwork and community leadership
- Opportunities to develop collaborative ideas and initiatives addressing national and community challenges
- Participation in the presentation of findings from our national Gen Z and Millennial survey and consultations
- The opportunity to contribute to recommendations on Youth and National Unity
